Polyester canvas heading with #2 grommets or on the larger flags nylon webbing with welded "D" rings
Fly hem reinforced by 4 needle stitching
Excellent color fastness
Excellent wearability
100% U.S. made

What size flag do I need?

Pole Height	Flag Size
15' - 20'	3' x 5'
25'	4' x 6'
30'	5' x 8'
35' - 40'	6' x 10'
45'	8' x 12'
50' - 60'	10' x 15'
65' - 75'	10' x 19' or 12' x 18'
75' - 100'	15' x 25'
105' - 120'	20' x 30'

On an outrigger flagpole what size do I need?

Pole Height off ground	Pole Length	Flag Size
18' - 25'	10' - 12'	5' x 8'
18' - 25'	12' - 14'	6' x 10'
25' - 30'	12' - 14'	8' x 12'
30' - Higher	14' - 18'	10' x 15'

All the above size flags are our best estimate of flagpole to flag size ratio. Useable size also depends on your local wind conditions. If it is very windy we recommend using a smaller size flag on the flagpole than recommended in the above chart.

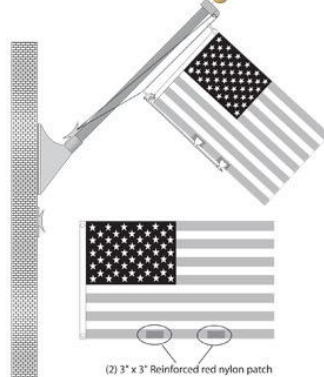

Outrigger flagpoles - Anti-wrap methods

NON-TANGLE RODS & TIE DOWN ROPE

High winds can and will damage flags, banners and/or ropes, pulleys and the poles supporting them. Non-tangle rod and tie down ropes will reduce the chance of the flags / banners from wrapping around the pole. However, it is not guaranteed that the flags / banners will not wrap around the pole.

For reference only
(Not scaled)

7' Non Tangle rod - 2 Clamps
** For flags 8 x 12 & 10 x 15'

5' Non Tangle rod - 1 Clamp
** For flags 5 x 8' and 6 x 10'

Tie down rope
